

Patricius Tokaj Furmint Dry 2023

SOIL: Volcanic, very rich in minerals

HARVEST: 2023

GRAP VARIETIES: Furmint

AGING: 220 l and 350 l oak barrels for 8 months

TASTING NOTES:

This wine is a blend of Furmint from four different vineyards. Careful grape selection and vinification bring out the fruity aromas of the variety. Refreshing nose with aromas of pear, green apple and citrus. On the palate it is easy to drink, with a delicious finish, present minerality and crisp, vibrant acidity. An easy to drink style with good complexity. To our minds, this is what a good entry level Furmint should be like.
