

## Vayi Frizzante Dry 2023

### What its wine tastes like

a wine with a light straw color and fine pearliness. The aromas show pear, quince, a touch of apricot, wild flowers, and all this is complemented by a delicate minerality. Fresh and crunchy in the mouth, characterized by tingling effervescence with a pleasant citrus flavor emphasized by a mineral finish with a touch of bitterness. Gastronomically, it is a versatile wine that will work well with summer salads, seafood, white meat, cheeses, cold cuts, but can also be a great companion for Sunday toast with egg, mozzarella and parmesan.

### Additional information
